

Travelling Together is a Supporting People funded service available for Gypsies and Travellers living in Nottingham and Nottinghamshire.

The work is delivered through a partnership between Rural Community Action Nottinghamshire (RCAN) and Framework.

RCAN provide countywide support and Framework provide support in the city. The service aims to prevent homelessness and reduce isolation within the Travelling Community.

TRAVELLING TOGETHER

Accommodation Related
 Floating Support Service for
 Gypsies and Travellers in the
 County of Nottinghamshire
 and Nottingham City

What Type of Support Do we Offer?

- Visits to clients homes, whether trailer/caravan or house giving advice on services available and signposting to any specialist services identified
- Individual support plans catering for client needs
- Assisting with benefit claims and managing finances and debt issues
- Assisting with the completion of relevant forms and liaison work with other agencies
- Help in setting up, keeping or moving to a new home
- Engaging with health services such as doctors and dentists

How to Apply for Support

If you live in the County of Nottinghamshire, contact the RCAN office on:

01623 727600

and ask for the Gypsy and Traveller Floating Support Service. The receptionist will then connect you to a member of the Travelling Together team, who will deal with your enquiry.

If you live in the city of Nottingham, contact the central access point at Framework on:

0800 0556184 or text 07528 016812

Alternatively ask a friend or existing service user to contact us on your behalf.

What Happens Next

Once a referral has been received an initial visit will be made by a support worker and an assessment of the needs and priorities will take place.

If space is available support will be given or you may be put on a waiting list until there is a vacancy.

Support will be tailored to individual needs and a plan will be made and agreed. Our floating support worker will visit you regularly either in your own home or at a place of mutual convenience.
